Custom Modern Design / Roaring Twenties

# Four Generations of *Quality Door* Manufacturers

**For over 100 years**, our family has committed to quality. We are proud our products do more than bring lasting beauty by also supporting our mission for sustainability. Behind the smooth, high-end look of wood, we use composite materials from partners who share our values. Fimbel doors are durable to stand the test of time and low-maintenance to add time to your lifestyle. Residential or Commercial. Carriage Style to Modern Design. Historic Restoration or New Build. ***We offer you more in a garage door***.

## YOU CAN COUNT ON FIMBEL'S COMMITMENT TO TRUST & VALUE

**Limited Lifetime Warranty***

**Consult your dealer for details*

**100+ Year Industry Leader**

*Established in 1924, 4th generation-owned business*

**Garage Door Section Replacement**

*Replace damaged sections without having to replace the whole door*

**Proudly Made in the USA**

*For over 100 years by the Fimbel Family of Whitehouse, NJ*

## ALL FIMBEL PRODUCTS:

- Uniquely crafted for you
- Smooth, high-end look of wood
- Low-maintenance
- Replacement sections available
- Range of styles and price points

- Solid, one-piece grille with profile options and no joints or inserts
- Large or small window options
- Available in 1" height increments
- Custom designs and arches available

- Energy-efficient
- Multiple design patents
- Quality finishing options
- Proudly made in the USA
- Robust long-life warranty regardless of geography

- Tough & Environmentally Friendly:

We partner with One Tree Planted (501c3) to do our part to restore our generous forests and our planet

Internal focus on optimization of logistics and recycling efforts to reduce our footprint

We run on SOLAR! And we pass along our unused power back to the grid

# Modern Door Designs

AVAILABLE FOR EURO, PRESIDENTIAL, AND ROARING TWENTIES DOOR MODELS

FIMBEL
ARCHITECTURAL DOORS
*More in a Garage Door Since 1924.*

Custom Modern Design / Euro-Dor

Modern designs, defined by their clean lines and unique window patterns, continue to inspire home-owners and designers alike. We offer modern design options in our Euro-Dor, Presidential, and Roaring Twenties series of overhead doors.

Carving the profile directly into the face of the door, we carry the design from section to section without interruption, creating a look that can either stand out or blend in with your building.

**See more at www.fimbelads.com/gallery** **Traditional door styles also available**
